Welcome to

**Perspectives in Health Care Administration
Theory, Research and Practice**

The Perspectives in Health Care Administration Congress will be held in Tampere, Finland, on 24-26 May 2001. The themes of the congress span the complex issues regarding health care administration e.g. developing organizations, quality management, personnel development and developing leadership. We are expecting 400 delegates from all over the world. The Congress venue is Tampere Hall, the largest congress and concert centre in the Nordic Countries. Tampere Hall is a modern congress centre with state-of-the-art facilities. It is situated within walking distance from the city centre.
